

JUAN ÁLVAREZ-VIJANDE LANDECHO

juan_vijande@gsd.harvard.edu | +1 (646) 295 - 8695 | +34 667 336 736

Architect focused on regenerative systems, material intelligence, and climate-responsive design

PROFESSIONAL EXPERIENCE

MASSACHUSETTS BUILDING CONGRESS | Mass Clean Energy Center—Sponsored | Clean Energy Policy Intern

Boston, USA
Jun 2025 – Sep 2025

- Delivered strategic recommendations outlining pathways for electrification and equitable energy transition.
- Co-directed a white paper on Boston's *Building Emissions Reduction Ordinance* addressing systemic implementation challenges.
- Designed, conducted, and synthesized 20+ stakeholder interviews, integrating policy analysis, technical data, and GIS insights to drive strategic recommendations.
- Organized and supported public-facing events and stakeholder workshops to present research findings and strategic insights.

REGENESYST | Founder & Principal Architect | regenesyst.com

Madrid, Spain
Dec 2019 - Present

- Founded and grew an architectural practice from the ground up, defining the studio's vision, brand, and operational model while personally leading strategy, business development, and end-to-end project delivery.
- Delivered residential, commercial, and public-sector projects across the full lifecycle - from concept design and feasibility through permitting, construction oversight, and client handover.
- Navigated complex permitting and planning approval processes, building trusted relationships with municipal authorities to secure timely project approvals. Ran construction phases hands-on, directly managing contractors, controlling budgets and schedules, and enforcing quality standards on site.
- Assembled and coordinated multidisciplinary teams of engineers, consultants, and specialists, serving as the central point of accountability across all project stages.
- Embedded environmental, bioclimatic, and material innovation into every project, positioning sustainability as a core differentiator of the practice. Produced all project deliverables personally - architectural drawings, technical documentation, BIM/3D models, and visualizations — maintaining direct control over design quality and execution.
- Led technical due diligence and feasibility assessments to de-risk projects and inform client investment decisions.
- Authored competition entries, client presentations, and pitches, winning new commissions and expanding the studio's portfolio.

DHOCE ARCHITECTS + ERCIS REAL ESTATE | Design architect

Madrid, Spain
Dec 2018 - Dec 2019

- Led regulatory due diligence and permitting strategy for a 27-unit residential renovation in Madrid.
- Oversaw design development from concept through construction, establishing quality standards for all technical deliverables.
- Managed on-site construction oversight, coordinating across contractors and consultants to ensure adherence to building codes, budget, and client specifications.
- Spearheaded the implementation of Revit-based BIM workflows as the studio's primary project delivery system.

IZASKUN CHINCHILLA ARCHITECTS | Design architect

Madrid, Spain
Aug 2018 - Sep 2018

- Led tender processes and supplier negotiations while ensuring cost effectiveness and regulatory compliance.
- Partnered with leadership on concept development and technical project documentation.
- Delivered comprehensive as-built drawings documenting completed construction for regulatory and archival purposes.

RAFAEL MONEO ARQVITECTO | Intern Architect

Madrid, Spain
Jun - Aug 2014 & 2015

- Contributed to design development across multiple project phases, producing technical drawings, physical models, and design research for a Pritzker Prize-winning studio.
- Created graphic and editorial content selected for architectural publications and museum exhibitions.

JARDINES DE CAMPO | Landscape Architecture Assistant

Madrid, Spain
Sep 2012 - Nov 2013

- Produced 2D and 3D design proposals to implement landscape strategies in rainfed rural environments, translating ecological strategies into actionable site plans.
- Supported research on best practices to inform project implementation in ecological restoration and sustainable land management.

EDUCATION

HARVARD UNIVERSITY GRADUATE SCHOOL OF DESIGN | Master in Design Studies | Ecologies | Class of 2026

Cambridge, USA
Sep 2024 - Present

Regenerative architecture and systems ecology, with emphasis on material metabolism and environmental systems design.

- Built interdisciplinary expertise spanning climate science, energy systems, and decarbonization pathways, bridging technical and design-driven approaches to environmental challenges.
- Applied advanced geospatial analysis, environmental sensing and simulation, and data visualization to inform design and planning decisions at multiple scales.
- Developed climate adaptation strategies at the intersection of design, policy, and governance, synthesizing technical analysis with stakeholder engagement to shape implementable frameworks.

ESCUELA POLITÉCNICA SUPERIOR (E.P.S) UNIVERSIDAD SAN PABLO-CEU

Master of Architecture | NAAB Accredited

Madrid, Spain
May 2018

Thesis: "*Aarhus Hub Campus*" Graduated with distinction | Advisor: Prof. Izaskun Chinchilla

Bachelor of Science in Architecture

Madrid, Spain
Jul 2016

Awarded "Talent Plus Distinction" diploma for exceptional academic and extracurricular achievements.

Zhejiang University | Masterplan Workshop

Hangzhou, China
Apr - Jun 2016

Architectural Association School of Architecture | Exchange Program

London, UK
Jan - Jun 2015

SKILLS

- **Modelling & Fabrication:** Rhinoceros, Grasshopper, Revit, AutoCAD, V-Ray, Enscape, 3D printing, and physical model making.
- **Media & Editing:** Photoshop, Premiere Pro, InDesign, Illustrator, and Microsoft Office.
- **Environmental Modeling & Data:** ArcGIS Pro (GIS), ClimateStudio, Ladybug Tools, CFD simulation, LCA, and Arduino IDE.
- **Construction Management & Cost Control:** Presto 22.

SELECTED EXHIBITIONS

HARVARD ART LAB <i>Atmospheric Encounters: Visualizing the Invisible</i> <ul style="list-style-type: none">▪ Exhibited <i>Bee Hygrothermal Performance</i>, a real-time environmental installation.	Cambridge, USA Dec 2025
THE FAIRBANK CENTER FOR CHINESE STUDIES <i>Cycles: The Art of Blurring</i> <ul style="list-style-type: none">▪ 1st Prize Landscape Photo Award 2024 Exhibition	Cambridge, USA Sep 2024
OFFICIAL INSTITUTE OF ARCHITECTS OF MADRID (COAM) <i>La Arquitectura de los Arquitectos</i> <ul style="list-style-type: none">▪ Roundtable participant alongside institutional and curatorial leaders▪ Exhibited and featured in the exhibition catalog. <i>Makan Caleido</i> Project	Madrid, Spain Dec 2023 May 2023 - Jul 2023
VENICE BIENNALE ARCHITETTURA Spanish Pavilion <i>UNCERTAINTY: How will we live together?</i> <ul style="list-style-type: none">▪ Exhibited thesis project <i>Aarhus Hub Campus</i>	Venice, Italy May 2021 - Nov 2021
CONCÉNTRICO + LA FORÊT MONUMENTALE <i>More than 100 trees</i> <ul style="list-style-type: none">▪ Finalist Competition Exhibition	Rouen, France Sep 2019
MADRID ARCHITECTURE WEEK WhiteLab Gallery <i>Aarhus Hub Campus</i> <ul style="list-style-type: none">▪ Exhibited thesis project <i>Aarhus Hub Campus</i> Sponsored by Open House Madrid	Madrid, Spain Jun - Jul 2018
ARCHITECTURAL ASSOCIATION SCHOOL OF ARCHITECTURE <i>Timber Balcony</i> <ul style="list-style-type: none">▪ Temporary installation: <i>Timber Balcony</i> A.A. Terrace	London, UK May - Aug 2015
ESCUELA POLITÉCNICA SUPERIOR (E.P.S) UNIVERSIDAD SAN PABLO-CEU Thesis Guidance Files <ul style="list-style-type: none">▪ Final thesis, “Aarhus Hub Campus”, included in the official compilation of exemplary projects to guide prospective students.	Madrid, Spain May 2018 - Present

PUBLICATIONS

HARVARD GRADUATE SCHOOL OF DESIGN <ul style="list-style-type: none">▪ “Entropy in Ecosystems.” <i>Translations Magazine</i> #01. Cambridge, USA: Harvard Graduate School of Design, 2025.	Cambridge, USA May 2025
